The South Penn Case.

An answer was filed in the prothonotary's office, Harrisburg, Monday, in the injune tion suit of the commonwealth against the Pennsylvania railroad company and others in the South Pennsylvania ratiroad deal, The decision of the supreme court that the Pennsylvania railroad had no right to pus-chase was made on the motion by the de-fense to dissolve the preliminary injunction which the Dauphin county court refused to do and which the supreme court affirmed. The answer is on a motion of the commonwealth to make the injunction perpetual. The Pennsylvania railroad company denies ownership of the Northern Central, and insists that the South Pennsylvania should connect at Harrisburg with the Pennsylvania is a parallel competing line; says they have no knowledge of the guranteeing of the bonds of the Bedford, & Bridgeport, to be used to purchase the South Pennsylvania. The balance of the paper, composed of twelve articles situgether, is a contravention of allegations made by the commonwealth in its application for the injunction. The paper is signed by the officers of the Pennsylvania railroad company. which the Dauphin county court refused to do railroad company. Statistics of Latayette College.

A QUESTION ABOUT

Brown's Iron Bitters

ANSWERED.

ANSWERED.

The question has probably been asked then sands of times. "How can Brown's Iron Bliters cure everything?" Well, it doesn't. But it does care any disease for which a reputable physician would prescribe IRON. Physicians recognize Iron as the best restorative agent known to the profession, and inquiry of any leading chemical firm will substantiate the assertion that there are more preparations of iron than of any other substance used in medicine. This shows conclusively that iron is acknowledged to be the most important factor in successful medical practice. It is, however, a remarkable fact, that prior to the discovery of BROWN'S IRON BITTERS on perfectly satisfactory combination had ever been found. BROWN'S IRON BITTERS does not injure the teeth, cause headache, or preduce constipation—sil other medicines do. BROWN'S IRON BITTERS cures Indigestion, Billiousness, Weakness, Dyspepsia, Maisria, Chills and Fevers, Tired Feeling, General Debitity, Pain in the Side, Back or Limbs, Headache and Neurulais—for all these allments Iron is prescribed daily. BROWN'S IRON BITTERS all other thorough medicines, it acts slowly. When taken by seen the first symptom of benefit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active. In scene the effect is usually more appliant, and If a nursing mother, abundant sustenance is supplied for the child. Remember Brown's Iron Bitters is the ONLT from medicine that is not injurious. Physicians and druggists recommend if.
